Visitation Expansion Plan

Missouri River Correctional Center

As MRCC's population increases, we are adding visitation dates to provide more opportunities for families and friends to visit. Because the available visitation space is not increasing, visitation hours will be tracked within the monthly allowance to help distribute access fairly and manage the larger number of residents and visitors. Thank you for your flexibility and understanding as we adjust the schedule.

Revised Visitation Schedule

Day	Visiting hours	Status
Wednesday	6:00 p.m.–8:00 p.m.	New time block
Friday	12:45 p.m.–2:45 p.m.	New time block
Friday	6:00 p.m.–8:00 p.m.	Existing time block
Saturday	8:00 a.m.–3:00 p.m.	Existing time block
Sunday	8:00 a.m.–3:00 p.m.	Existing time block

MRCC Visitation Schedule and Monthly Allowance

Beginning November 1st, 2026, the Missouri River Correctional Center will expand visiting hours and replace open visitation with a monthly allowance of up to 25 hours of in person visitation per resident.

- The visiting schedule will be Wednesday from 6:00 p.m. to 8:00 p.m.; Friday from 12:45 p.m. to 2:45 p.m. and 6:00 p.m. to 8:00 p.m.; and Saturday and Sunday from 8:00 a.m. to 3:00 p.m.
- Residents and staff are responsible for managing your monthly visiting hours. Upon a visitors check on staff will verify visitor eligibility and track hours in Elite.

- The monthly allowance resets on the first of each month and unused hours do not carry forward.
- Any visit lasting more than 10 minutes will count as one hour. Visitors arriving with fewer than 30 minutes remaining in a session will not be checked in. A shift supervisor may limit visit duration if overcrowding occurs.
- We understand that special circumstances may occasionally require additional visitation. Requests to exceed the 25 hour monthly allowance may be considered when submitted in advance by kite to the shift supervisor. Long distance travel may also be taken into consideration. Please note that additional visitation must be approved and is not guaranteed.
- If the residents work during visiting hours, they will need to coordinate with their work supervisor before making plans. Special transportation will not be provided from an off property work site to attend a visit.
- This information will be posted on our DOCR website. Please share the updated schedule with your family and friends and plan visits accordingly.
