

## **PUBLIC NOTICE**

The North Dakota Department of Corrections and Rehabilitation is soliciting proposals for architectural firms interested in the design and development of a new men's correctional facility (Missouri River Correctional Center). Interested parties must display/demonstrate expertise in the design of correctional facilities, including therapeutic environments, mental illness, medical care, infection control, sight and sound separation, current correctional law, prison industry operations, and strategies to integrate correctional facilities with North Dakota communities. Total estimated cost for entire project is approximately \$500 million dollars. After an architectural firm has been selected, all proposals, designs, and cost estimates must be completed by January 1<sup>st</sup>, 2027.

Information packets, which include the SF330 (Architect-Engineer Qualifications) form, facility information, and maps, are available by contacting Chris Jangula, Chief Physical Plant Officer, by phone at 701-328-6133; or by e-mail at [cjangula@nd.gov](mailto:cjangula@nd.gov). All phone requests must be followed by a written request to e-mail address listed above.

Responses to this request will be accepted until Wednesday August 27<sup>th</sup> @4PM CST at the Office of Chris Jangula, Chief Physical Plant Officer, North Dakota Department of Corrections and Rehabilitation Central Office, PO Box 1898, Bismarck, N.D. 58502-1898.
