

## Visiting Regulations - Phase 4

**Facility: JRCC and JRMU**  
**Effective Date: March 14, 2022**

### VISITATION PURPOSE AND SCOPE

The James River Correctional Center (JRCC and JRMU) encourages visitation by family, friends, and community groups to maintain the morale of the population and to continue pro-social relationships.

As part of the institution's continued mitigation efforts during the global pandemic:  
The following protocols will be required during phase 4:

- Visitors are no longer required to preschedule their visits and may present themselves for visitation at the designated visiting times. (JRCC)
- Visitation will be held inside the visiting room; there is no restriction on the number of visitors and children other than the max capacity of the room.
- Visitors must have a photo identification with them to visit.
- Persons who are not on the resident's visiting list may not visit. A visiting application must be filled out and approved through proper channels prior to visiting.
- Food and drink will be allowed for purchasing; vending machines are available in the visiting room.
- Testing - Visitors will complete a BinaxNOW test prior to entry into the facility; this includes minors 6 years and older.
- Masking- Must wear a mask pending a negative test result; upon notification of negative test, follow facility masking protocols.

Each Wednesday the Warden will review the facility mitigation protocol for entrance into the facility based on the following guidelines:

- Statewide COVID Hospital Bed Utilization is below 75
- Facility Positivity Rate
- County Positivity Rate (14 day rolling average)

The masking mandate is subject to change based off review of the guidelines above.

JRCC will post the facility COVID status signs at each entrance into the facility buildings.
