INTRODUCTION

The ND DOCR will be awarding approximately \$700,000 for the VOCA Competitive Grant. A separate solicitation for the VOCA Assistance Grant will allow up to \$5.0 million to be awarded. Therefore, the total grant funds available under both solicitations is \$5,700,000. The ND DOCR must issue subawards totaling \$5,700,000 or risk returning funds back to the Office for Victims of Crime. The ND DOCR may redistribute grant funds between the VOCA Assistance Grant and the VOCA Competitive Grant to ensure all available Federal funds will be awarded.

This Notice of Funding Opportunity provides information and guidance for the VOCA Competitive Grant. The VOCA Assistance Grant is detailed in a different Notice of Funding Opportunity. Agencies will need to submit separate applications for each grant if they want to be considered for both pools of funding.

The performance period begins October 1, 2020 and ends September 30, 2021. All agency and general eligibility requirements outlined below must be met before applicants may apply. Proof of meeting these requirements is part of the application process.

This grant is NOT the regular funding that victim service agencies rely on for operational expenses. See below for additional information about this grant.

The funds available under this solicitation are one-time funds. There should be no expectations regarding continued funding in subsequent grant years.

Examples of projects eligible for funding may include the following:

- Computer or computer upgrade
- Database and/or software upgrade
- Equipment or equipment upgrade
- Office furniture upgrade
- Vehicles
- Shelter upgrades
- Security systems

The ND DOCR makes an effort to fund organizations that remain both eligible and effective in providing victims' services from year to year. However, agencies must show evidence of their eligibility and effectiveness each year in the application process. The ND DOCR does not guarantee any agency will continue to receive funding from one year to the next. All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by Federal or State law.

ELIGIBILITY REQUIREMENTS

APPLICATION PROCESS

COSMOS GRANT MANAGEMENT SYSTEM:

All applicants shall utilize COSMOS to review the application documents and apply for the VOCA Grant. Applicants will be required to acknowledge acceptance of the Subrecipient Agreement by electronic signature. Subrecipients will also utilize COSMOS to submit reimbursement requests and required reports per the Reporting Schedule. Training is essential for system access, grant application, fiscal management and reporting in the COSMOS system. COSMOS on-line training is available on the ND DOCR Victim Services website at <https://docr.nd.gov/victims-services/grant-information>

Access the COSMOS system and download all of the application documents. It is expected that all subrecipients will read and understand the requirements outlined in this document.

The list of documents outlined below shall accompany, as applicable, and be attached to all applications for the VOCA Grant. Also, the Certifications as outlined in the next section must also be submitted with each VOCA Grant application. Failure to submit a complete application may result in an application being rejected or denied.

ARTICLES OF INCORPORATION 501(c)(3):

In addition to the general eligibility requirements, a private non-profit agency shall also have obtained Articles of Incorporation 501(c)(3) certifying that the agency is registered with the North Dakota Office of the Secretary of State, as a private non-profit agency at: <http://sos.nd.gov/office-secretary-state/contact-us>.

CERTIFICATIONS

Applicants will be required to certify their compliance with several Federal requirements. Those requirements are outlined below. The Certification Forms are attached to the VOCA Subrecipient Agreement as Exhibits and will need to be submitted with the application.

LOBBYING; DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS; DRUG-FREE WORKPLACE REQUIREMENTS:

Federal funds may not be used by the State, or any subrecipient, at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification or adoption of any law, regulation, or policy, at any level of government. Should any questions arise as to whether a particular use of federal funds by a recipient (State) or subrecipient would or might fall within the scope of this prohibition, the recipient (State) is to contact The Office of Justice Programs (OJP) for guidance, and may not proceed without the express prior written approval of OJP.

The State and subrecipient receiving Department of Justice funding, such as Victim of Crime Act (VOCA) funding, is required to complete Certifications regarding Lobbying; Debarment, Suspension and other Responsibility Matters; and Drug-free Workplace Requirements. Applicants will need to complete the Certification Form, attached as Exhibit B, and submit with their application.

EQUAL OPPORTUNITY EMPLOYMENT PLAN:

An Equal Employment Opportunity Plan (EEOP) is a work force report that agencies shall complete as a condition for receiving Justice Department funding authorized by the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. § 3789d.) The purpose of the EEOP is to make sure the subrecipient receiving financial assistance from the Justice Department is providing equal employment opportunities to men and women regardless of age, race, sex or gender identity, national origin, religion or disability. The federal regulations establishing the EEOP requirements also link a diverse workforce to effective law enforcement. The experience of the [Justice Department] in implementing its responsibilities under the U.S. Crime Control and Safe Streets Act as amended, has demonstrated that the full and equal participation of women and minority individuals in employment opportunities in the criminal justice system is a necessary component to the Safe Streets Act of 1968's program to reduce crime and delinquency in the United States at [28 C.F.R. § 42](#). The Justice Department regulations pertaining to the development of a comprehensive EEOP can be found at [28 C.F.R. § 42.301-308](#).

To determine if your agency is required to complete and submit an EEOP Certification or EEOP Utilization Report, access the OJP information at http://ojp.gov/about/ocr/faq_eeop.htm. Review the information and instructions under the EEOP Reporting Tool Job Aid. Applicants will need to complete the Certification Form, attached as Exhibit D, and submit with their application.

OFFICE OF MANAGEMENT AND BUDGET (OMB) CIRCULAR A-133 AUDIT:

Any governmental unit (state or local) or private non-profit agency expending less than \$750,000 in federal funds in any fiscal year are exempt from a single A-133 audit. A single A-133 audit must be submitted online to the Federal Audit Clearinghouse (FAC) for any governmental unit (state or local) or private nonprofit organization expending \$750,000 or more of federal funds. Single audit submission is required under the Single Audit Act of 1984 (amended in 1996), OMB Circular A-133, and the Office of Management and Budget (OMB) Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements for Federal Awards (Uniform Guidance). The Internet Data Entry System (IDES) is the place to submit the single audit reporting package and can be accessed at <https://harvester.census.gov/facides/Account/Login.aspx>. The Single audit submission is due nine (9) months after the end of the fiscal year. Applicants will need to complete the Single Audit Certification Letter, attached as Exhibit C, and submit with their application.

FEDERAL CIVIL RIGHTS TRAINING:

The subrecipient receiving financial assistance from the Office of Justice Programs (OJP), must comply with the [Federal statutes and regulations](#) that prohibit discrimination in federally assisted programs or activities. The subrecipient may not discriminate in employment on the basis of age, race, sex or gender identity, national origin, religion or disability. The subrecipient also may not discriminate in the delivery of services or benefits on the basis of age, race, sex or gender identity, national origin, religion, or disability. The Office of Civil Rights (OCR) has developed online civil rights training curriculum for grantee agencies and subrecipients. OJP Civil Rights Non-Discrimination Online Training shall be completed prior to receiving VOCA funding by accessing the training modules at <http://ojp.gov/about/ocr/ocr-training-videos/video-ocr-training.htm>.

At this time, there is no certification form required for completion of Federal Civil Rights Training.

MATCH

Documentation supporting match shall be submitted in COSMOS quarterly, at a minimum.

A subrecipient receiving VOCA grant funding shall have financial support from other sources in addition to VOCA grant funding and shall provide a match contribution (cash or an in-kind, or a combination of both). Documentation supporting Match shall be attached to the application in COSMOS.

The total project cost is the amount of the Federal VOCA funds plus the match amount. Federal funds may not be used for the cash match. An agency with previous VOCA subawards shall use a 20% cash or in-kind match, or combination of both. An agency new to VOCA shall use a 25% cash or in-kind match, or combination of both. American Indian or Alaska Native Agencies are exempt from project match requirements.

Step 1. Award Amount ÷ % of Federal Share = Total (Adjusted) Project Cost

Step 2. Total (Adjusted) Project Cost x % of Recipient's Share = Required Match

So, for example, if the VOCA subaward amount is \$80,000 and the match is 20%:

Step 1. \$80,000 / .80 = \$100,000 (Total adjusted project cost)

Step 2. \$100,000 x .20 = \$20,000 (required match)

Any agency requiring a match waiver should contact the ND DOCR for further information.

REIMBURSEMENT REQUESTS

Reimbursement Requests are required to be submitted quarterly, at a minimum. Failure to submit, per the required schedule, may result in sanctions as detailed below, in Subrecipient Non-Compliance.

Reimbursement Requests are due on the 15th of the month.

Clear and concise documentation will be required when submitting reimbursement requests. The ND DOCR must be able to easily reconcile the documents submitted with the dollar amount requested. The ND DOCR understands there are many different accounting systems in use by subrecipients. At this time the ND DOCR is not mandating the use of specific forms for submitting reimbursement requests, however, as a best practice, subrecipients are encouraged to use the Subrecipient Reimbursement Request Template that is included with this Notice of Funding Opportunity. If subrecipients choose not to use the Subrecipient Reimbursement Request Template, the same information must be provided.

Receipts will be required for all expenses submitted and must include a notation on the receipt indicating what portion is being claimed under VOCA and what budget category the expense is for.

Timesheets documenting the actual hours worked and rate of pay will be required. The timesheet should be signed and certified by the employee and approved by the supervisor. The timesheet must also note the VOCA and non-VOCA time, if applicable. Example timesheets or templates are included with this Notice of Funding Opportunity. If an employee's time is split between multiple grants where direct services to victims are eligible expenses, then the time should be divided based on what percent VOCA is of the total budget.

OFFICE FOR VICTIMS OF CRIME (OVC) PERFORMANCE MEASURES TOOL (PMT)

Failure to submit PMT Reports, per the required schedule, may result in sanctions, as detailed below in Subrecipient Non-Compliance.

Training is essential for system access and reporting in the PMT system. It is recommended that the subrecipients complete all training prior to starting any reporting in the PMT system. Training and reporting may be accessed at <http://ojpsso.ojp.gov>. Proceed to the "Need Help" tab and click directly on the tab itself. All training and resources are available under this tab.

All federal reporting is required to be completed in the OVC PMT system. If your agency established an account through a previous VOCA grant, your information automatically transfers and your access to the PMT system should still be active. If your agency is new to the PMT system, your agency's authorized representative should contact the ND DOCR for initial instructions to establish a new PMT account.

The subrecipient shall submit all required PMT statistical data and narrative reporting information per the VOCA Grant Reporting Schedule. Failure to complete reports per the VOCA Grant Reporting Schedule, may affect future monitoring activities (such as more audits) and could affect future awards.

PMT SUBGRANT AWARD REPORT (SAR):

The SAR consists of the subrecipients proposed activities from the VOCA Grant Application to be implemented within the performance period. Any SAR changes during the performance period must be completed in PMT within thirty (30) days of the change.

PMT QUARTERLY PERFORMANCE MEASURE REPORTS:

The subrecipient is required to submit quarterly performance measure reports on the performance metrics identified by OVC, and in the manner required by OVC. The quarterly performance measure report contains demographic and direct services information on age, race, sex or gender identity, national origin, religion or disability collected by the subrecipient during each of the four quarters and submitted through the PMT system within fifteen (15) days after the close of each quarter. Subrecipients shall upload the completed quarterly report into COSMOS.

PMT SUBGRANTEE ANNUALLY REPORTED QUESTIONS:

Data and narrative questions required for performance and effectiveness under the award. The subrecipient shall collect and maintain data that measures the performance and effectiveness of the activities under this award. The subrecipient Annually Reported Questions are located at the end of the Fourth Quarterly Performance Measures Report and shall be submitted through the PMT system within fifteen (15) days after the end of the performance period.

CLOSEOUT REPORT

Failure to submit the Closeout Report, per the required schedule, may result in sanctions, as detailed below in Subrecipient Non-Compliance.

The following information is required as part of the closeout process for the VOCA Grant. The Closeout Report provides information to the ND DOCR regarding the progress, performance narrative, and statistical data gathering completed during the performance period. The Closeout Report shall be completed by the subrecipient and submitted through COSMOS within fifteen (15) days after the close of the performance period.

Also, a copy of each quarterly report from the PMT system shall be uploaded into COSMOS during Closeout.

1. Provide the total number of crime victims and victimization types your agency served during the performance period. Please refer to the information below for this question.
2. Explain the method(s) of collection your agency used to collect and maintain statistical information regarding crime victim(s) data.
3. Explain what method(s) your agency used to assist crime victims in seeking benefit and referral information to apply for compensation benefits.
4. Describe how your agency used volunteers within the performance period, including the number of volunteers, their job descriptions, number of hours of mandatory training, and number of hours worked.
5. Describe the type of survey or evaluation method(s) your agency utilized to evaluate crime victim services, and how the evaluation information is used to measure outcomes and future program revisions if needed.
6. Describe in detail any internal or external challenges or barriers encountered which prevented services from being provided and what method or strategy was used to overcome the challenges or barriers.
7. Describe in detail how your agency made a genuine effort to collaborate with local and state agencies to receive support regarding projects or performance of direct services during the performance period.
8. Describe the progress your agency has made toward achieving financial sustainability from other sources in addition to VOCA Grant funding.
9. State how your agency progressed toward or achieved success in meeting the proposed performance goals stated in your VOCA Grant Application.
10. Include two case illustrations showing how VOCA funds have been used to assist crime victims. To maintain confidentiality of victim(s) use Jane Doe or John Doe in your examples, not fictitious names.
