Request for Qualifications Now Open for Heart River Correctional Center Project

Bismarck, ND – The North Dakota Department of Corrections and Rehabilitation (ND DOCR) is soliciting proposals for architectural firms interested in the design and development of a new correctional facility, Heart River Correctional Center, located in Mandan, North Dakota. Interested parties must display/demonstrate expertise in the design of correctional facilities, including therapeutic environments, mental illness, gender specific medical care, infection control, sight and sound separation, current correctional law, prison industry operations, and strategies to integrate correctional facilities with North Dakota communities. After an architectural firm has been selected, all proposals, designs, and cost estimates must be completed by May 31, 2024.

Information packets, which include the SF330 (Architect-Engineer Qualifications) form, facility information, and maps, are available by contacting Chris Jangula, Director of Physical Plant Services, by mail at the North Dakota Department of Corrections and Rehabilitation Central Office, PO Box 1898, Bismarck, N.D. 58502-1898; by phone at 701-328-6133; or by e-mail at cjangula@nd.gov. All phone requests must be followed by a written request to the address listed above.

Responses to this request will be accepted until 5:00 P.M. June 2nd, 2023 at the Office of Chris Jangula, Director of Physical Plant Services, North Dakota Department of Corrections and Rehabilitation Central Office, PO Box 1898, Bismarck, N.D. 58502-1898.
